Each new day is an empty page in the book of your life.

*It will come to you clear and fresh each morning,
waiting for you to fill it with wonders.*

*This empty page is yours to crowd with music and laughter,
with work and achievement, with friendship and love.*

*And in the future, every time you turn back to it in memory,
you will smile in satisfaction at the joy of it all.*

– Dean Walley

J

It was a very long time ago
that I saw you in the
land of the living.

This empty page is yours to fill with words and feelings.
With your thoughts and feelings, with your hopes and fears.
And in the future, when you look back on this morning,
you will want to remember the day of it all.

As I look back on my four years of college, I have to say that my success is due to the people in my life that helped make it happen. I would first like to thank my family for putting up with me and giving me the unconditional love and support I needed. I would like to thank my friends for always being there for me. Through all the papers and tests, all the laughter, and all of the tears, you know who you are. I would also like to thank my professors for giving me the guidance that I needed to fulfill my dreams. My stay at Saint Joseph's College has been the ultimate learning and growing experience for me. There's no place else or anyone else that I would have rather shared these past four years with. I love you all.

Michelle and Nicole: Thank you both for keeping me in line. You are so dedicated SB. Always remember our talks in the cafeteria. Everything happens for a reason, if it is meant to be, it will be, no matter what.

I made it! It is a great feeling knowing that dreams can come true by working hard to fulfill them. But, I can't take all the credit. I need to thank three people first.

I would like to start by thanking my parents for signing those loan papers. Without the both of you to back me up, I don't know where I would have ended up.

Now, I would like to give a special thanks to Anthony, my one and only love, my cupid, my heart. Your financial support has helped me through my intersession courses. You have helped make it possible for me to graduate on time. Also, thanks for keeping me motivated when I had bad days in school. Most importantly, thank you for being there for me. You are the best and I love you very much!

"Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond our measure. It is our light, not our darkness, that most frightens us. We ask ourselves, who am I to be brilliant, gorgeous, talented and fabulous? Actually, who are you NOT to be? You are a child of God. Your playing small doesn't serve the world. There's nothing enlightened about shrinking so that other people won't feel insecure around you. We were born to make manifest the Glory of God that is within us, it's in everyone. And as we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others."

You each have contributed something special to my life.

Thank you.

To those distinct individuals with whom I have met here and will continue to grow after this is all over:

I can't imagine this experience called "college" without you.

I hope I have enriched your lives as much as you have mine and I look forward to our being able to continue this journey together.

To those great people who have been with me prior to this time and will be with me after it is just a memory:

Your presence alone has helped me in so many ways, more than you know. I love you people.

Mom and Dad: Thank you so much for everything you do for me. I love you very much and I will always be your little girl.

Jaret and David: Without you guys, life would not be interesting. I love you both very much.

Miranda: You are my special angel. Auntie loves you more than anything in the world.

My second family: I couldn't ask for a better family to share my life with than you guys. I love you all so much!

Mikey: We did it, pal!

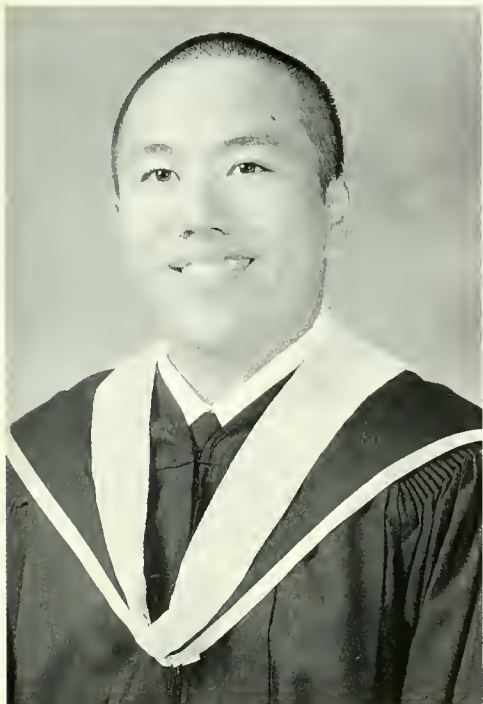

Joseph: I saved the best for last. I could never repay you for all the help and support you have given me in the last four years. You're not only the love of my life, you're my best friend, too. I love you, baby!

Thank You

*My Family —
I did it!*

I'm a step closer to achieving my dreams and will continue to rely on your support.

Cliff —

For helping me pass the test of life.

Yeah Boy.

B.D.A. —

For teaching me to not sweat the petty things but to pet the sweaty things.

Yeah Boy.

Bulldog, Larry and ΨΦΩ —

I will always remember our battles with evil.

Yeah Boy.

Maggie, Paul, Lisann and all my SJC crew —

I will miss you.

Yeah Boy.

Snoopy —

For helping me appreciate the true meaning and impact of love.

YEAH BOY

St. Joe's is an amazing place where I learned a little bit more of the world through the students and the faculty. Thanks for the memories! I want to thank some special people.

To my family: Especially my "viejo" and "gordo" for pushing me to reach my dreams. You both have taught me to be determined and a hard worker with a strong will. You also deserve thanks for putting up with me all these years! I love you guys!

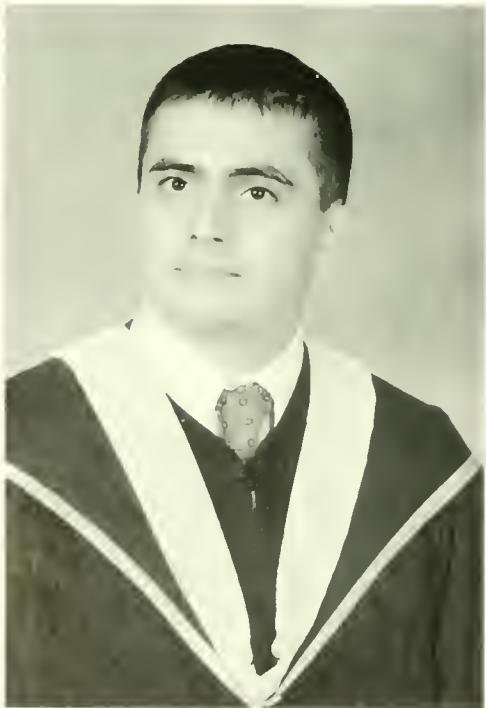

To the Rock: "Bio all day, everyday." You allowed me to see the world from a new perspective.

To my fiery Gordita: You were always there to put a smile on my face and laugh with me at my "incredible observations." All the tears that we shed carved a monument of you in my heart. Your warm heart allowed me to open up and show my emotions more often.

Thank you, Mom, for always telling me that I was capable of accomplishing all my goals and dreams. In recent years you were faced with tremendous adversity yet you triumphed and in that triumph you taught me to be a better man.

Thank you, Dad, for trusting me when times were tough and know that I love you.

Maritza, I've been blessed to have someone like you in my life. I thank you for everything you've done for me.

Mom and Dad: Thanks for everything. I couldn't have done it without you. I love you.

Joke: I'll always be your biggest fan! Thanks for being such a brat! Luv ya!

Pook: You'll always be my hunny-mwah!

Nanny, Pope, Gramode, and Grampode: Thanks for being such an important part of my life. I love you.

Klarisa: Since our New Drop days, you have always been there. Thanks for being a true friend.

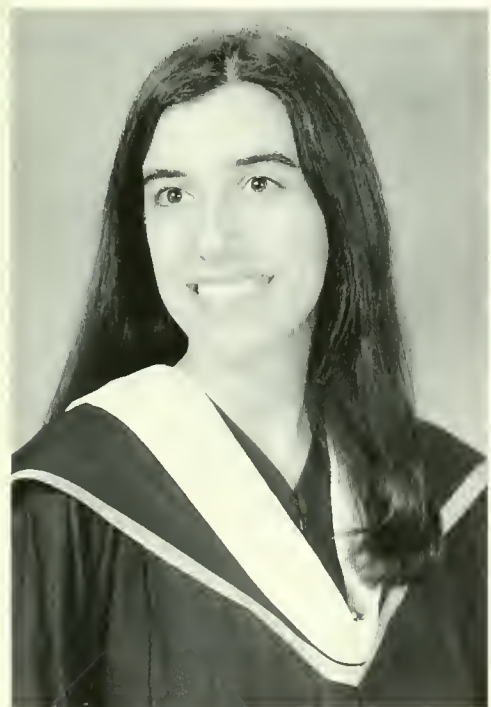

Jenn: I'm so glad we became friends. Thanks for listening and always making me smile.

Louie: You are not only my boyfriend, but you are my best friend. We have so many memories and I can't wait to make many more ... I love you. 12/19/95 ...

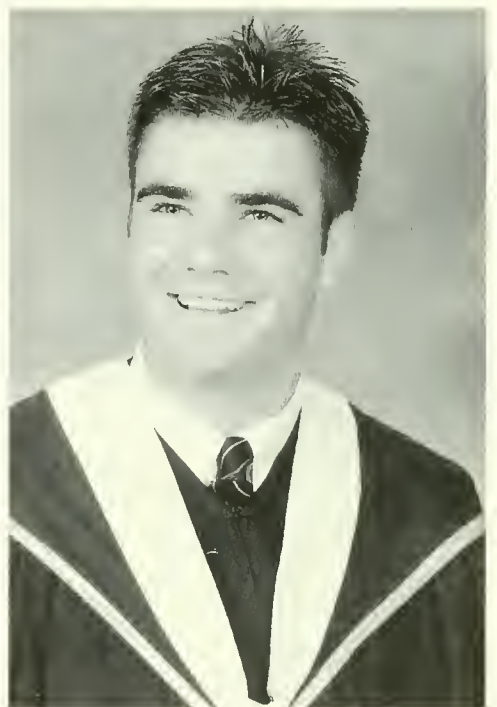

To the rest of the class of 2001: Goodbye and Good luck!

FOLLOW YOUR DREAMS

*Dreams can come true if you take the time
to think about what you want in life.*

Get to know yourself.

Find out who you are.

Choose your goals carefully.

Be honest with yourself.

Always believe in yourself.

Find many interests and pursue them.

Find out what is important to you.

Find out what you are good at.

Don't be afraid to make mistakes.

Work hard to achieve successes.

When things are not going right

don't give up—just try harder.

Give yourself freedom to try out new things.

Laugh and have a good time.

Open yourself up to love.

Take part in the beauty of nature.

Be appreciative of all that you have.

Help those less fortunate than you.

Work towards peace in the world.

Live life to the fullest.

*Create your own dreams and follow them
until they are a reality.*

*Each new day is an empty page
in the book of your life.
It will come to you
clear and fresh each morning,
waiting for you to fill it with wonders.*

*This empty page is yours to crowd
with music and laughter,
with work and achievement,
with friendship and love.*

*And in the future,
every time you turn back to it in memory,
you will smile in satisfaction
at the joy of it all.*
